Ozone Day Celebration

Department Of Zoology Organized Group Discussion on the Occasion of International Ozone Day

Ozone Day Group Discussion Photographs 16 Sept. 2017

To,
The Principal,
Rajarshee Shahu Science College,
Chandur Rly.

Subject: For the permission to organize group discussion

Respected Sir,

With reference to above cited subject on the occasion of International Ozone Day, Department of Zoology organize group discussion of students on the date of 16th Sep. 2017. The main objective of the drive was to sensitize the students to about ozone layer—what is it, and how does it protect life on Earth?. The effects of ozone depletion—what are they, and how serious are they?

You are therefore request to grant the permission for the same

Thanking you.

Yours Faithfully

Dr. M. P. Chikhalde

INVITATION

Dear Faculty Members and Students, You are cordially invited for the program on 22nd April 2021 at 11.30 am at Google meet.

About Resource Persons

Dr.Mrs. Vandana Ravindra Kakde

- Designation- Associate Professor and Head Department of Zoology
- Educational qualification- M.Sc. (ZOO) B.Ed., LL.B., Ph.D.
- Professional qualification: Ph.D.
- Teaching Experience: 27 Years
- Environmentalist in Buldana District Expert Appraisal Committee
- Zoologist in Animal Ethical Committee of Pharmacy College, Buldana
- Resource person at Aquaculture Training Programme held at Jalgaon and Buldana District
- Area of Interest- Education, Research, Conservation of Nature, Awareness Campaign
- Publication - 86 Research Papers in proceeding book of International and National conferences
- Recognized Ph.D. Supervisor(SGBAU) Ph D Referee-Gondwana University (M S)
- Ph D Students- 03 students awarded Ph D while 04 pursuing
- DEAC & DEIAA-District Level Appraisal Committee & District Level Environment Impact Assessment Authority of Govt. of Maharashtra, Buldana
- Social Involvement □ Coordinator of Lokmat Sakhi Manch,Buldana (2007-2010). □ Organized Women's Health Conferences. □ Organized Workshop on Women's relating Laws. □ Organized Women's upliftment activities. □ Resource Person in MahilaArthikVikasMahamandalBuldana. □ Delivered Lectures on various Social Aspects like Dowry prohibition, Male female equality, Female relating laws, PC & PNDT Act, Why daughters go missing, Need of the day- Collective Marriage Ceremony& Conservation of Nature.

Dr. Sawan M. Deshmukh

- Designation -Assistant Professor HOD, Department of Geography
- Educational Qualification –M.A.B.Ed.M.Phil,Ph.D.
- Honorary Wildlife Warden of Amravati District from June 2017
- Working for Environment Education, nature conservation and animal welfare activities in Amravati district.
- Founder president of an NGO named “CARS” (Centre for animal rescue & study, Amravati)
- Participated in International Course on “Species conservation through Environment Education module with special focus on Tiger”
- Member of Advisory committee of Melghat Tiger Reserve foundation.
- AWARDS:-
- Wasundhara Mitra Puraskar (2009) from Chitralipi fest Amravati – 2009
- University Environment Award (2012) from S G B A U, Amravati
- Sarp Sanwardhan Gaurav Puraskar - 2019
- Paper Publication:
- 36 papers published in state & national level Journals.
- 42 times participated and paper read in international, national & state level conferences and seminars. Participated 6 times in poster competition in national level conference on environment.

Tree Plantation Awareness Program (2021-2022)

Saplings were planted on the eve of Birth anniversaries of Honorable President of Parent Society Atul Vidya Mandir Wardha Prof. Uttara Tai Jagtap and Secretary Dr. Virendrabhau Jagtap. Students and faculties were attended the program.

Tree Plantation 11th August 2021

Eco friendly Ganesh Festival (2021-2022)

Every festival it is evident that our culture actually is protecting nature and the festivals suggest us to live in harmony with nature. Various surveys indicate that there is a significant increase in water, air and noise pollutions during and just after the festivals. To keep this issue in mind we organized Eco-friendly Ganesh idol making awareness workshop on virtual platform on dated 7th September 2021, Dr.Shrikant Warhekar Assistant Professor, Department of Environment Science, Arts and Science College Kiran Nagar Amravati and Joint Secretary of WECS was as a Resource Person. He talked on how to celebrate pollution free festival. Total 70 students and teachers were participated in the event.

Subject : Request to Ban on the use of Chinese Synthetic Manjha to save the lives of Birds and environment

Respected Sir,

Kite-flying is particularly popular during the Festival. People brimming with colorful paper or plastic kites fill the skies on these days, celebrating the onset of spring.

During the kite-flying season, kites often cut off in the sky and fall on trees, shrubs, or electrical wires. Birds that use these areas for perching get entangled in the Chinese synthetic manjha. The thread gets enmeshed in their wings, feathers, and claws, and if left unattended, they die in a matter of time.

Numerous endangered species of birds have also been rescued after being injured due to kite flying. The powdered string of Manjha becomes an additional danger to already threatened bird species such as Vultures.

You are therefore requested to initiate the ban on the use of Chinese synthetic Manjha

Thanking you for anticipation

With Regards.

Yours Sincerely

World Earth Day (2021-2022)

To commemorate the World Earth Day the SIGNature of the College was organized the guest lecture of renowned Conservation Biologist and Ecologist on dated 23 April 2022. The theme of the year was **Invest for Our Planet**. The activity was conducted in collaboration with Department of Zoology. Dr. Ramzan Virani, Ecologist and Wildlife Warden Assistant Professor Department of Zoology, S.M. Arts, Commerce and Science College Pandharkawada was the Chief Guest and he delivered the invited talk on the topic **Conservation of Natural Resources to Save Our Planet**. The main aim of the activity was creating the awareness among the students about the conservation of planet and protection of mother earth. The program was started with lamp lightening and Photo Pujan. Introductory Speech was given by Dr. G.B. Santape Convener SIGNature, Dr. Ramzan Virani was felicitated by given the Shawl, Shriphal, Memento and Book with the gracious hands of Chairperson of the program. Principal Dr. S.S. Thakare presided over the function, introduction of the guest was given by the student of B.Sc.III CBZ group Ms. Sakshi Pantavane, the program was conducted by Ms. Anushka Londhe whereas vote of thanks was proposed by Ms. Gayatri Belsare. On this occasion Dr. M.P. Chikhale, Head Department of Zoology, Dr. M.J. Keche, Assistant Professor, Dr. S.P. Patharkar Co-Convener of SIGNature were present on the Dias. The program was attended by all teaching staff. Total 84 Students were attended the program.

INVITATION

Dear Faculty Members and Students, You are cordially invited for the program

About Resource Persons

Expert area: Handling Man-Animal Conflict (Mainly: Man-Tiger Conflict Management) Conservation by Participation (Conservation of Wildlife & Nature by the Participation of Local Communities)

Area of Research: Exploration of Local Biodiversity & to Study its Topographic and Demographic relationship.

Academic Contribution

Working as Asst. Professor, Shivramji Moghe Arts, Commerce and Science College, Pandharkawada Post graduate teacher SGB, Amravati University Amravati Worked as in-charge principal in college for 3-4 years. Worked as BOS member of SGB, Amravati University, Amravati Research Guide SGB, Amravati University, Amravati

Contribution to Field Research

Studied Bird, Butterfly, Odonates from Pandharkawada Forest Division. Scientific Study of Fauna of Proposed Adkoli Marki Coalmines Project Scientific Study on Faunal Diversity of Proposed Reliance -Cement Project Published 15 Research Papers in National & International Indexed Journals Scientific Consultant on movie on Wildlife Conservation Sherni released on Amazon Prime Two Students awarded Ph.D. degree

Books Published

Guide of Butterflies of Pandharkawada, Published by Forest Department Field Guide of Medicinal Plants of Pandharkawada, Published by Forest Department Field Guide for Birds of Pandharkawada, in Publication Process, by Forest Department

Awards n Recognitions

Awarded by Forest Department, Govt. of Maharashtra for Exemplary work in public outreach for wildlife conservation. Appointed as Honorary Wildlife Warden for Yavatmal District by Government of Maharashtra

Contribution to Conservation

1.Worked as Ecologist in Declaring ESZ around Tipeshwar Wildlife Sanctuary. 2. Working as ESZ Monitoring Committee team Member 3. Scientific Documentation of Reintroduction of Sambar in Tipeshwar WLS 4. Worked as Biologist to establish Critical Wildlife Habitat in Tipeshwar WLS 5. Working as Ecologist to establish Critical Wildlife Habitat at Isapur Wildlife Sanctuary & Biologist in Establishing Critical Wildlife Habitat at Tipeshwar n Painganga Wildlife Sanctuary 6. Worked in Technical Committee for mitigation of developmental projects in Chaprala & Tipeshwar Wildlife Sanctuary 7. Worked as technical committee member in Effective Management Evaluation of Tipeshwar and Painganga WLS

Online Skill Development Courses and MOOC'S

1.Ecology: Ecosystem Dynamics and Conservation by American Museum of Natural History 2. Understanding Research Methods, University of London 3. Research for Impact, University of Cape-Town, South Africa 4. Genetics and Society, AMNH, USA 5. Evolution, Course for Educators, AMHU, USA 6. GREEN PRACTICES

Activity Report

“Electrical Energy Consumption Survey and Energy Saving Awareness”	
Day & Date	: 11 March 2022
Place	Village: Kalamjapur Tah: Chandur Railway, Dist:Amravati
Objective of the Activity	: <ul style="list-style-type: none"> • To make students a responsible citizen. • To make villagers aware of new technology. • To help them in saving amount in electric bill.
Collaborator	NSS officer and Unit
Targeted Class	Physics Students, Students of NSS Unit and People of Kalamjapur Village
Organizer	: <ul style="list-style-type: none"> • Dr. A. P. Pachkawade -Head, Dept of Physics And NSS Officer • Mr. S. A. Wani -Convener • Dr. Roshani Bhagat -Co-Convener

BRIEFING OF ACTIVITY:

Some peoples in Villages are unaware of the new technology introduced globally and its benefits for many reasons. To reach these peoples with proper information in their benefit is our social responsibility. One of the issues in the villages is the electric bill. To percolate the social responsibility among the students and benefit the villagers, Department of Physics in collaboration with NSS unit carried out a “Electrical Energy Consumption Survey and Energy Saving Awareness” in the Kalamjapur village.

Mr. S.A.Wani has prepared an information leaf and explained students the same in the NSS camp. Students reached people door to door and on the basis of collected information, explained them the energy consumption by different electrical appliances and aware them with new technology-based appliances that are more efficient and low energy consumption rate.

During the survey and awareness Campion, village people cooperated a lot with the students. Gentle behavior from both the end was the key for success of this activity. This activity was successfully headed under the able guidance and supervision of Head Department of Physics and NSS Officer **Dr. A. P. Pachkawade, Mr. S. A. Wani** and **Dr. R. N. Bhagat**.

स्वच्छ सर्वेक्षण महाराष्ट्र 2020

*** प्रशस्तीपत्र ***

प्रमाणित करण्यात येते की, केंद्र व राज्य सरकारच्या स्वच्छ सर्वेक्षण २०२० अंतर्गत चांदूर रेल्वे नगर परिषद क्षेत्रामध्ये स्वच्छता स्पर्धा घेण्यात आली होती. त्यामध्ये स्वच्छ महाविद्यालय या विभागात आपल्या **राजर्षी शाहू सायन्स कॉलेज, चांदूर रेल्वे - प्रथम क्रमांक मिळाला**

आहे त्याबद्दल हे प्रमाणपत्र आपणास सन्मान पुर्वक प्रदान करण्यात येत आहे.

विषय- शनिवार ... विज्ञानवारी (Science on Saturday) उपक्रमात सहभागी होण्याबाबत.

संदर्भ नमस्कार

विद्यार्थ्यांना शालेय अध्यापनक्रमातील पुढील ज्ञानवारीवरच कृतीवारे विज्ञान शिकवण्याचा विषय अधिक सोपा होतो व आवडतो निर्माण होते असे लक्षात आले आहे. याच उद्देशाने मराठी विज्ञान परिषद मुंबई व मराठी विज्ञान परिषद अमरावती यांच्या संयुक्त विद्यमाने शनिवार ... विज्ञानवारी (Science on Saturday) हा एक अभिन्न प्रकल्प हातो येतला आहे. या प्रकल्पाचा कालावधी सात महिन्यांचा असेल. या प्रकल्पासाठी महाविद्यालयीन विद्यार्थ्यांचा गट तयार करून त्यांना मराठी विज्ञान परिषद मुंबई तर्फे दोन दिवसांचे प्रशिक्षण दिले जाणार आहे. यामध्ये आमचे प्रशिक्षित विद्यार्थी वेगवेगळ्या प्रयोगांमधून शालेय विद्यार्थ्यांच्या वैज्ञानिक संकल्पना स्पष्ट करतील आणि त्याच बरोबर शाळांमधील विद्यार्थ्यांना प्रयोग करून घेण्याची संधी देतील. यामध्ये विद्यार्थी विज्ञान प्रयोग, विज्ञान प्रश्नोत्तरी, स्टाइड गो इत्यादी सादरी करण करतील तर काही लहानसे व्याख्यान देतील. विज्ञान कथा संग्रहालय या सर्व बाबींचे मार्गदर्शन शनिवार ... विज्ञानवारी (Science on Saturday) च्या कृती मधून केव्हाही होईल. प्रकल्प सहभागी होणाऱ्या शाळांना प्रकल्प सहभाग प्रमाणपत्र देण्यात येईल. हा प्रकल्प इयत्ता ७ वी करीत आहे. आपणास या प्रकल्पात सहभागी व्हायचे असल्यास सोबतच्या पावार आपला होकार कळवावा हो विनंती.

Guidelines For
Students and Supervisors

Website: www.rssc.edu.in

**GUIDELINES FOR PROVIDING GRANT
To
Student Research Project**

College strives to promote research excellence and culture among the students in emerging areas of Basic Science, Allied disciplines need to be studied and researched in a more organized manner. Institutionalization of such activities is a need of the present times.

Introduction

The project provides an opportunity for a range of different types of research. For example, students could study the current topics or existing knowledge gap of information systems related subject area using a range of different data sources, design an intervention and evaluate it, complete a small survey, or study client use of other services. This project is used to increase the students' critical thinking ability in particular problem domain, identify knowledge gaps and define research problems, come up with a conceptual framework for addressing the identified research problem by applying learnt theory and research methodologies and eventually conclude the project with deliverables. Further, this will be an opportunity for students to develop their decision making skills and negotiation skills especially with supervisor's and examiners' interactions.

Objectives of the project

While projects vary in their aims, scope and design, they should be designed so as to allow student to demonstrate their ability to apply the principles of research at an undergraduate level.

In reporting on the project, Students should show that they can:

- a. Identify and define a significant issue relevant to the subject
- b. Systematically collect relevant up-to-date information about the issue, either directly or from published studies or publicly available data
- c. Analyze, interpret and discuss the information in accordance with standard academic and Information Technology
- d. Write and present the study in accordance with academic standards at an undergraduate level.

Target Group :

The College will support the financial assistance to group of the Three of Four College Students for conducting the Student Research Project. A group of Students with Investigator can avail only one project at any given time. It would be the responsibility of Investigator and Students for accountability of the project. They can apply for under the scheme for current academic year.

The Investigator teacher should preferably publish at least one research paper in the reputed journal after the completion of the project.

Nature of Financial Assistance:

Atul Vidya Mandir /Institute will provide (Rs.5000/-) Five Thousand as a Seed Money in the form of financial support for the items Chemicals, Consumables, Hiring services and field work

Tenure of the Project:

Project should be completed within Four Month after the approval of authority

How to Apply:

Investigator Teachers with project fellows may submit their proposed project work through application for the financial assistance. The prescribed format of the application is available on College Website www.rssc.edu.in. The downloaded copy of the same duly signed by Head of the institution, Investigator Teacher concern and Project fellow should submit within time line to the SRPC for the approval.

Procedure for release of Financial Assistance:

Initially, half amount of grant will be provided and half amount will be released on receipt of completion documents for final reimbursement. It is mandatory to submit the progress and summary report and detailed statement of expenditure. The unutilized money may be refunded immediately to the institute.

Responsibilities of Students

The students carrying out a research project are expected to undertake the following responsibilities:

1. It is a requirement that the students engage in their project work at least 150 hours and complete it within a Four month period of an academic year.
2. Students should have preliminary discussion with supervisors before starting the project.
3. The student should maintain a work diary and need to update the diary regularly with important decision after meeting with the supervisor
4. Students are highly encouraged to refer library and other academic journals, while they are conducting literature search and research tasks. If any research paper is inaccessible, students can request it from supervisor. Supervisor may get necessary actions to provide the paper in his/her best.

5. The students should keep informed supervisor and course coordinator, if any problem is raised interrupting their research work.
6. The students should maintain friendly environment with Investigator Teacher/Supervisors and colleagues in laboratories.
7. The students should make 10-minute presentations for defending research proposal arranged by the Coordinator.
8. Students need to make all marked corrections by supervisor prior to submit the final thesis

Role of A Supervisor

The Supervisor is expected to help the Students, under their supervision by following ways to complete the final research project.

1. Guide Students to formulate an appropriate project proposal and outline of the project work
2. Conduct meeting regularly.
3. Inform Students the progress of their work whether it is satisfactory or not
4. Advise Students to improve the research activities, composing dissertation and presentations
5. Guide Students to publish their work in conferences or journals
6. Review the draft of research project dissertation, presentation slides and poster.
7. Act as one of the examiners on submission of the project.

Finalising Research Project proposal

Research project proposal is the most important document at the beginning of research project. This proposal guides students to conduct research effectively though out course duration. When the students prepare a research proposal, few important factors should be taken into account such as scope of the project, motivation and possibility to complete by given time frame. The project proposal should not exceed 3-5 pages and key components of the project proposal are as follows.

1. Title : The title of the project, should not exceed 10 words
2. Proposer: Name of the investigator and the Students
3. Research Problem: The description of the problem which the student is going to solve from the research project
4. Hypothesis: A statement of the hypothesis which are being tested, or the

research question which are endeavored to answer, there should be at least one research question or maximum three research questions.

5. Background: A summary of the key relevant literature, references, or needs analysis that justifies the project

6. Aims: A statement of the expected outcomes of the project, and how they will help to address the problem

7. Objectives: An outline of the specific strategies or steps by which students intend to achieve the research aims

8. Methodology: A more detailed outline (sometimes called 'project protocol') of the actual research, data collection and analysis

9. Time Frame: A timetable or plan of the key activities or stages of the project

10. Ethics (if available): An appreciation of any ethical issues raised and how they will be addressed

Structure of the Thesis/Dissertation

It is the most important document for this course and it should be in a form of a document of 30 pages and about 4000 -5000 words. When the students are composing the thesis, following structure may help to make high-quality project

University Level Online Handmade Poster Competition on the Theme “Women in Science”

On International Day of Women and Girls in Science, Gender Equality Cell, Rajarshee Shahu Science College, Chandur Rly was organized university level online poster competition on the theme “Women in Science”. More than 30 students from different colleges were participated in this competition. Jury for this competition was Dr. S. P. Patharkar, Assist. Professor Department of Botany and Ms.M. S. Palaspagar, Assist. Professor Department of Mathematics.

Winners of the competition were: -

- 1st prize-Ms.Anushri R.Jalamkar, Arts,Commerce and Science College, Warwat(Bakal)
 2nd Prize-Ms.Manisha D.Ambadkar, Sant Gadge Baba Amravati University, Amravati
 3rd Prize- Ms.Dipali R. Garode, Rajarshee Shahu Science College, Chandur Rly
 1st Consolation Prize- Vaishnavi K.Belgamwar, Jawaharlal Darda Institute, Yavatmal
 2nd Consolation Prize- Ms.Sakshi Motwani, Rajarshee Shahu Science College, Chandur Rly

Report on Workshop on Practical Approach in Preparation of Laboratory Solution

The department of Chemistry has organized the one-day workshop on Practical approach in preparation of laboratory solution on 04th March 2022. B.Sc. I & II students attended the training program. The principal of the College, Dr. S. S. Thakare Sir was present as a main speaker for this workshop. Dr. Amol Thakare introduced the main speaker of workshop. In this workshop, complete guidance was given on the importance of solution in chemistry lab and how to make it. The program was successfully completed as per the schedule, which was given to the participants prior to the commencement of the program, without any changes. The participants expressed their complete satisfaction after the completion of workshop. The program ended with the speech of Head of department Dr A D Bansod.

**Report on Hands on Training on Chem-Draw Software**

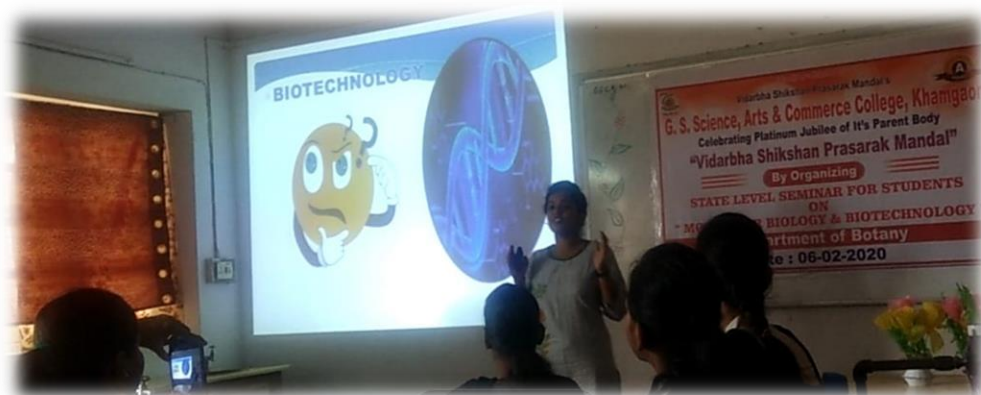

The department of Chemistry was organized the one day Hands On Training on Chem-Draw Software on 24 February 2022 at department of Computer Science. A total of 15 students attended the training program. The students were first introduced to the software by training coordinator Dr Amol Thakare. This was followed by a discussion on how to use the software. All the students used this information to draw the structure of the molecule in the software and also analyzed it. The program ended with the speech of Head of department Dr A D Bansod. Dr.S.P.Padhen Assistant Professor assists the training program

Organizer: Dr.A.D.Bansod,Dr.S.S.Padhen and Dr.A.P.Thakare, Department of Chemistry

Celebration of National Science Day-2018

The College has celebrated National Science Day on 28th February 2018. The celebration is followed by different competitions based on the theme of NSD-2018 i.e. **“The Scientific Issues for the Development of the Nation”**. The competitions include Poster presentation, Rangoli and Elocution competition. The competitions were open to all the schools and colleges in the Chandur Railway city. In response, around 100 students have participated in different competitions. The function was inaugurated by the dignitaries on the dais, Chief Guest of the function Mr. Pratik Deshmukh from Shri Shivaji Science College, Amravati. Chairperson of the function Dr. S. S. Thakare, Principal of our College, P. S. Talokar, H. M. of late Atul Jagtap Vidyalaya and the Convenor of the function Dr. A. D. Bansod, Co-convenor Mr. M. P. Waghmare, Mr. Arjun Ingale, Secretary of College Students Council. Mr. Pratik Deshmukh, Chief guest given the information about Avishkar Competition which is conducted by SGBAU Amravati and also his Avishkar awards. He also inspired to students for participation in competitions. Dr. S. S. Thakare given introductory & Presidential speech.

Winners Poster , Rangoli and Elocution Competitions

Student Name	Name of the School /College	Prize	Category
Mr. Gaurav D. Shende	Atul Jagtap High. School Chandur Rly	First	Poster

Report of National Science Day - 2019

To create the interest among the students about Science our college was organized the various competition on the theme of the year for the School and College students. The program was inaugurated at the hands of Mr,Pravin Gulhane Regional Coordinator Marathi Vidhnyan Parishad Amravati the program was presided by the Principal Dr.S.S.Thakare.Dr.G.B.Santape Conver of NSD was given the introductory speech. On this occasion of the NSD 2019 Rangoli ,Model and Poster Presentation was arranged on 28th February 2019.The program was conducted by Co-Convener of the program Dr.R.V.Kene. Dr.M.P.Chikhale Head Department of Zoology and Dr.R.V.Kene Department of Mathematics delivered the lecture on World of Science. Total numbers of 120 participants were registered for the event. The winners of the competition were felicitated by prizes and certificates were distributed to the participant.

Report on National Science Day - 2020

In order to commemorate the discovery of the Raman Effect in India by the Indian physicist, Sir Chandrasekhara Venkata Raman in the year 1930, the day is celebrated as National Science Day. For his great success in the field of science in India, Chandrasekhara Venkata Raman had been awarded and honored with the Nobel Prize in the Physics in the year 1930. The “National Science Day Celebration-2020” was conducted successfully on 28th Feb, 2020 in Rajarshee Shahu Science College, Chandur Rly.

The theme of this year was “Women in Science”. Dr. Smita Thakare, Assistant professor, Matoshri Vimalabai Deshmukh Mahavidyalaya, Amravati was invited as a Chief Guest for the program. The session was open by lighting of lamps and Saraswati Vandana. This was followed by welcome address delivered by Dr Amol Thakare, Coordinator of the program highlighting the significance of celebrating the Science Day. Dr Roshani Bhagat gave the brief introduction of Chief guest. On this occasion, a motivational and inspirational talk on topic “Listening Skill” was delivered by the Chief Guest. Our Principal, Dr. S. S. Thakare has elaborated the role of students in the development and progression of research in the field of Science and Technology to take up challenges at a higher level.

Session was then open for scientific activities. Various events include Scientific Model Presentation, Poster Presentation and Scientific Rangoli. Hon’ble Principal and Chief Guest distributed the cash prizes and certificates to all the winners of the various competitions. The programme concluded with vote of thanks delivered by Dr Sampada Patharkar. IQAC Coordinator Dr G B Santape, all departmental Heads, teaching and non-teaching staff and students were present for the programme.

Sub- Invitation as Guest Speaker for National Science Day-2021.

Dear Sir,

Our college celebrates National Science Day- 2021 Programme through online mode on dated 28th Feb. 2021 (Sunday). On your consent on telephone, your speech is organized at 11.35 am. You are invited and requested to join this programme on the afford said date and time. We look forward for your speech on the "Future of STI: Impacts on Education, Skills and Work" which will be beneficial to our students and teachers.

Thanking You.

Yours Sincerely,

Briefing of activity

• Science Exhibition

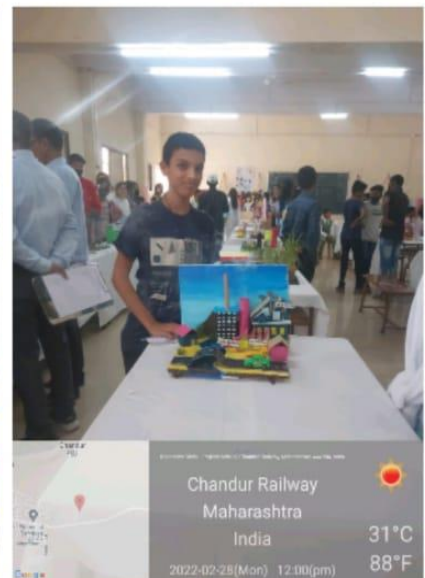

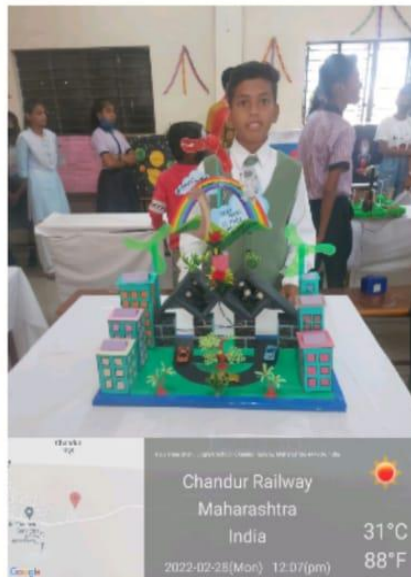

National Science Day is celebrated in [India](#) on 28 February each year to mark the discovery of the [Raman effect](#) by Indian physicist [Sir C. V. Raman](#) on 28 February 1928. To aware students about science our college continuously were take efforts to organized such kinds of activities in college and hence on the eve of National Science Day, the NSD -2022 committee of RajarsheeShahu Science College, Chandur Railway organized Science Exhibition for Students. In Science Exhibition students were presented Posters, Models & Science Crafts.

The Science Exhibition was conducted at Late Atul Jagtap Memorial Hall on dated 28/02/22 (Monday) at 11.30 am. For this event we had President of prog. Dr. S. S. Thakare (*Principal, RajarsheeShahu Science College, Chandur Rly*), Chief Guest & Inaugurator, Dr. V. P. Jagtap (*Vice President Atul Vidya Mandir, Wardha's*) Juries for this Science Exhibition was Shri. P. S. Talokar, (*Head Master Atul Jagtap Madhyamik Vidyalaya*), Dr. G. B. Santape (*Asst. Prof, Department of Zoology*) & Mr. Anand Deshmukh (*Teacher RajarsheeShahu English School*), Organizing Secretary- Dr. S. S. Padhen (*Asst. Prof, Department of Chemistry*) and Convener; Ms. Mamta S. Palaspagar (*Asst. Prof, Department of Mathematics*) & NSD –Volunteers.

A warm welcome was given to all dignitaries by NSD Volunteers. The Science Exhibition was inaugurated by lighting the lamp and garlanding the photos of RajarsheeShahu Maharaj and Physicist Sir C. V. Raman with the hands of Dr. V. P. Jagtap, (*Vice President Atul Vidya Mandir, Wardha's*), All respected heads of the department, Faculty Member, Supporting Staff and Students from various attended the same.

Latter all the dignitaries, juries and faculty members were taken presentations of students Posters, Models and Science Crafts. We got Total 60 entries for the Science Exhibition and total 90 students were enthusiastically participated in this Science Exhibition. Lastly chief guest Dr. V. P. Jagtap (*Vice President Atul Vidya Mandir, Wardha's*) were expressed her thoughts about this event.

• Guest Talk on the Eve of National Science Day-2022

National Science Day is celebrated in India on 28 February each year to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman. The main objective of National Science Day is to bring awareness to the peoples about the importance of science in our daily life & to encourage a people by popularizing Science & Technology. Every year this day celebrated with a particular theme, this year the theme was “Integrated Approach in Science & Technology for a Sustainable Future”. NSD Committee of RajarsheeShahu Science College, Chandur Rly organised Programme on ‘**Guest Talk on the Eve of National Science Day-2022**’ on 28 February 22, on Monday on Google Meet at 2:00pm. Dr. S. S. Thakare, *Principal, RajarsheeShahu Science College*, was president over the function, in which Dr.N.S.Chandan(*Vice Principal , Siddharth Arts, Commerce & Science College, Mumbai*) was the Resource

Person ,Dr.S.S.Padhen *Asst. Prof. of Chemistry* was organizing secretary of the programme & Ms. Mamta S. Palaspagar, *Asst. Prof. of Mathematics* was convener of the programme.

Miss Snehal Shivankar, B.Sc. II PCM student conducted the online program. She was also giving warm welcome to all the respected dignitaries to present this online program. Then Introductory speech was given by Dr.S.S.Padhen *Asst. Prof. of Chemistry* organizing secretary of the programme . After that student of B.Sc.III CEP Sakshi Motwani were gave presentation about the college. Guest introduction was given by Dr.R.V.Kene, Head & *Asst. Prof. of Mathematics*. Later the guest of Honour Dr.N.S.Chandan (*Vice Principal , Siddharth Arts, Commerce & Science College, Mumbai*) were started their presentation. In their speech they were focus on what is the objective to celebrate National Science Day. They were also focused on the historical background of National Science Day. They were also told how science is very important in our daily life. They were mainly focused on the theme of National Science Day-2022 “Integrated Approach in Science & Technology for a Sustainable Future”. In presidential speech Dr. S. S. Thakare, *Principal, Rajarshee Shahu Science College* shared their thoughts and some stories regarding the science and gathering. Lastly Miss Aditi Pawar B.Sc. II (PCM) student proposed vote of thanks. Total 50 students were attended the programme. Dr.S.S.Padhen *Asst. Prof. of Chemistry* was organizing secretary of the programme & Ms. Mamta S. Palaspagar, *Asst. Prof. of Mathematics* was convener of the programme has arranged and work hard to make the event successful. Lastly feedback were collected from the participants.
