“Womens Safety at Workplace and Management of Stress in Life”

The Parliament of India Passed the Act in the year 2013 for Sexual harassment of Women at Workplace (Prevention, Prohibition and Redressed) Act. The Act provides protection against sexual harassment of women at workplace and for the prevention and redressal of complaints of sexual harassment and for the matter connected there with or incidental there to. Educational institutions are also bound by the supreme court's directive and Act. Adhering to this direction the Rajarshee Shahu Science College Chandur Rly committed to creating and maintaining an environment which is free of all forms of gender violence, sexual harassment and discrimination on the basis of sex/ gender. Atul Vidya Mandirs, Rajarshee Shahu Science College is only Science College at taluka level who is committed to offer the quality education in science to the students. Institution also runs the Junior Science stream with the higher secondary and Convent school. Fortunately the entire stream is having the majority of the girl's students with female staff members.

Considering this the institution is committed to uphold the constitutional mandate ensuring the above mentioned human rights of all those who fall within its jurisdiction.

Objectives:

The objectives of the Internal Complaint Committee are to prevent Sexual Harassment of Women at workplace are as follows:

- 1) To develop a policy against sexual harassment of women's at the institute.
- 2) To develop a permanent mechanism for the prevention and redressal of sexual harassment cases and other acts of gender based violence at the Institute.
- 3) To ensure the implementation of policy in letter and spirit through proper reporting of the complaint and their follow –up procedures.
- 4) To uphold the commitment of the Institute to provide an environment free of gender based discrimination.
- 5) To create a secure physical and social environment to deter any act of sexual harassment.
- 6) To promote a social and psychological environment to raise awareness on sexual harassment in its various forms.

With this aim an objective committee works to maintain the good environment in the institute. Committee consists of one senior female faculty, two faculty members from teaching faculty, two staff members from non teaching, two students members, One member from NGO, one external member as Lawyer.

Various measures were also taken by the committee to inform the students and female staff about this right. In order to get legal protection to the female students and ladies staff and to assure the stress free environment in campus one day national webinar was organized by the committee on "*Women's Safety at Workplace and Management of stress in life*" in collaboration with the IQAC of the Institute. Webinar was conducted jointly by three Colleges Rajarshree Shahu Science College Chandur Rly, Vinyaka Vidyan Mahavidyalaya Nadgaon Khandeshwar, and G.S Topme College of Arts Commerce and Science College, Chandur Bazar. Main objective of the workshop is to make people aware of Women's rights". As we know that Women's are successfully making their carrier in very field and taking up leadership and position on other hands unfortunately they are facing sexual harassment in many workplace or any other place. Reporting against the sexual harassment is not an easy task .It may due to lack of legal knowledge about women's right, gender biases and fear is also one of the factors. To overcome this situation the first session of webinar was designed .In this session of webinar guest speaker Adv. Urvi Keche Yawalikar a Legal Consultant delivered a lecture on the Role of ICC committee, their function, and their components.

Beside this in today's life environment, work life balance and stress management in life is also a new challenge for working women. There are various roles performed by women at times such as family obligation, upbringing of children or elder persons and work responsibility and other roles. While fulfilling this role women are feeling overburdened with time pressure and unmet obligation. Keeping this view in mind the second session of webinar is conducted by Mrs. Vrushali M Biware madam Psychotherapist, child counselor. She emphasizes on how to manage stress and how to increase the efficiency of work with good mental health. Webinar benefited all students and ladies staff.
